Dear Madam,

We would like to inform you that **FAAST** (FORE Academy of Aviation, Space & Tourism) which is a vertical of FORE (Foundation For Organisational Research and Education), established in 1981 in New Delhi as a 'Not for Profit' registered society. Besides, the flagship vertical - FORE School of Management (FSM), the Society has extremely rich credentials in domains of Drones, Leadership, jewellery design etc.

FAAST is a newly established vertical envisioned as a transformative skill development hub, empowering youth with industry-relevant expertise in aviation, hospitality, and service sectors offering cutting-edge programs for **Cabin Crew, Travel Consultants, and Airport Terminal Operators** that blend experiential training, industry insights, and academic rigor. As the first step, two centres have been set up - in Patna and Greater Noida (NCR). Our courses are also affiliated and accredited with global and Govt skill agencies.

The sectors of Aviation, Space, and Tourism have been purposefully selected, as they represent some of the most rapidly growing industries in India. These fields are poised to significantly contribute to the nation's economic transformation, offering abundant opportunities for employment and entrepreneurship. With India's air travel set to double by 2030 and 50 cities transforming into tourism hubs, there's an urgent and unprecedented demand for skilled professionals in aviation, hospitality, and tourism.

Skill training integrated in the academic curriculum would serve to be an effective catalyst for ensuring employability to the students. Owing to our curriculum being industry aligned and employment driven, and the programmes accredited and affiliated with Govt and global agencies, once trained with us, your students would be the preferred ones to be absorbed by the industries.

I am approaching you with an offer of admission for your students in various short duration skill training programmes in these sectors. I see it a good opportunity for the students and would also further your endeavour of ensuring a bright career for them.

*Handwritten signature*

I hereby authorize a team of staff to interact with the students to support the  
activities of the course and the associated career opportunities.
